

Donor Advised Fund Agreement

WITH THIS AGREEMENT, _____
(hereinafter referred to as the "Donor") is transferring on the ___ day of _____ (month), ____ (year), ownership of the property listed below to The San Francisco Foundation (hereinafter referred to as the "Foundation"). This property constitutes an irrevocable gift from the Donor to the Foundation and, upon acceptance of the gift, is subject to the following terms and conditions:

- 1** A Donor Advised Fund shall be established as a fund on the books of the Foundation and shall be known as the _____ Fund (hereinafter referred to as the "Fund") of the Foundation, to be applied towards the charitable purposes of the Foundation as stated in its governing documents.
- 2** The initial gift to the Fund shall consist of _____
_____. (Attach schedule if needed)
- 3** The Fund shall include the property transferred with this Agreement, any other property that later may be transferred to the Foundation for inclusion in the Fund and accepted by the Foundation, and such income from property in the Fund as the Board of Trustees of the Foundation (hereinafter referred to as the "Trustees") may, in their discretion, credit to the Fund, less the fees as described in *Schedule A*, as amended from time to time.
- 4** Assets of the Fund may be commingled for purposes of investment with other assets of the Foundation. The Fund assets will be invested as detailed in *Schedule B*.
- 5** The Donor or other qualified advisor(s) named in *Schedule C* (the "Advisor") has the right to, and is encouraged to, make grant recommendations for grants to organizations that are recognized as charitable entities described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "Code"), (preferably in, but not limited to, the Bay Area). Any recommendation regarding grants or awards for charitable purposes by the Advisor will be given careful and thoughtful consideration by the Foundation.
- 6** Donor acknowledges and confirms that, in accordance with its governing documents (as amended from time to time), the Foundation owns the Fund and has the ultimate authority,

discretion, and control over all property in the Fund and the income derived from it, including the authority to vary the terms of the gift in certain circumstances. Charitable distributions from the Fund shall be made at such times, in such amounts, in such ways, and for such purposes as the Foundation shall determine, in its sole and independent discretion, within the scope of the charitable purposes of the Foundation.

7 It is understood that no distributions will be used to discharge or satisfy a legally enforceable charitable pledge or obligation of any person, or pay for goods or services of value received by the Donor or the Advisor, or otherwise provide a benefit to the Donor or Advisor (e.g. membership dues, fundraising event attended by the Donor or Advisor).

8 It is intended that the Fund shall be a component part of the Foundation and not a separate entity for tax purposes, and that nothing in this Agreement shall affect the status of the Foundation as a charitable organization described in Section 501(c)(3) of the Code, and as an organization that is not a private foundation within the meaning of Section 509(a) of the Code. This Agreement shall be interpreted to conform to the requirements of the foregoing provisions of the federal tax laws and any regulations issued pursuant thereto. The Foundation is authorized to amend this Agreement to conform to the provisions of any applicable law or government regulation in order to carry out the purposes of the Fund.

9 The Donor may provide for the final disposition of Fund assets by selecting one of the options listed on *Schedule D*.

Please indicate below your transfer of the property and your acceptance of the terms and conditions noted above.

**The investment management fees on the long-term funds generally range from 65 to 80 basis points (i.e. 0.65% to 0.80% of assets), excluding incentives. Each manager's fee schedule is negotiated independently. The average fee on the total pool will fluctuate over time as market values change.*

Please Note:

- There is **no set-up fee** to establish a Donor Advised Fund.
- There are **no transaction fees** for grant distributions.
- Fees are subject to periodic review and amendment by the Board of Trustees.

SCHEDULE B

Investment Pools

- A** SHORT-TERM funds are invested in a money market fund that holds short-term cash equivalents.
- B** LONG-TERM funds are invested in a broadly diversified portfolio. Please refer to the latest Investment Performance and Asset Allocation Summary for more detail on the current target allocation of the long-term investment pools.

Asset Allocation

Grant distributions are paid from assets invested in short-term funds. Fund assets are rebalanced quarterly to maintain target allocations and to enable grant payments as needed. The recommended asset allocation should reflect your philanthropic strategy for the year. We recommend a minimum short-term allocation of 20% to insure adequate liquidity for grantmaking.*
